Dear Dr. Robertson:

Thank you for your letter of 21 April 1996. There were no substantive comments from reviewers that I did not include in my letter to you.

I also thought that I had returned all the art in the file. I have a recollection that one reviewer may have misplaced a copy of the material in the course of a big move, and was thus unableto return it to us. I will look further for other copies, and if I find any, I'll return them to you asap.

Sincerely,

R.E. Gaensslen
